Dear Valued ONE Customer,

**Update of Prohibited Cargoes**  
**- Metal products for rail/truck transportation -**

**Dear Valued Customers,**

In order to ensure safe transportation, ONE has updated the cargo acceptance policy for metal products traveling via truck and/or rail into Canada and the United States.

All cargoes with an HS code listed below will be prohibited for transport by rail and/or truck. Existing bookings will be reviewed.

Please ensure that all commodity information is declared correctly. Misdeclared cargoes may be suspended and the shipper shall be responsible for all charges, fines, and other costs in addition to a misdeclaration penalty of \$2,000 per container. This penalty goes into effect on April 3, 2024.

We appreciate your understanding and cooperation.
